Trip Extensions & Independent Travel

Thinking about traveling independently before or after your trip?

With over 25 years of exploration in Belize, our very knowledgeable and experienced staff can offer you a wealth of travel information to help you plan the best vacation possible! However, we do recommend you read up on the country and find what interests you. Once you find an area of interest, give our office a phone call.

Many of our trips combine well with an adventure traveling inland. We offer two inland trips that we can schedule any time of year - the first takes you into the heart of the Ancient Mayan civilization while the second explores the jungle environment.

The three day/two nights [Maya World Extension](#) [2] gives you a wonderful opportunity to extend your vacation. Visit the most interesting ancient Mayan cities of Belize such as Lamanai and Altun Ha. Also included is an interpretive boat tour of the wetlands of the Crooked Tree Wildlife Sanctuary.

The three day/two nights [Rainforest Canopy Extension](#) [3] opens the door to the amazing wildlife and flora of the Rainforest. This itinerary, located at an eco-lodge within Bocawina National Park, offers adventure activities like zip-lining and optional waterfall rappelling.
